

STS-HUB.de 2023: CIRCULATIONS

Human Technology Center Aachen, March 15th-17th 2023

STS-hub.de is a bi-annual conference for enabling encounters amongst STS scholars in Germany. In 2023, it will be held for the first time in Aachen. For more info, please visit <https://sts-hub.de/>

Call for expressions of interest

REGIONAL NETWORK MEETING: STS in North Rhine-Westphalia

STS scholars are working in many different locations all over North Rhine-Westphalia. The regional network meeting offers a space to come together, get to know each other, exchange ideas, and discuss options for future collaborations in research and/or teaching. We invite all scholars from all academic stages and backgrounds with the hope to spark mutual exchanges in an informal setting. In order to plan the meeting, we ask you to briefly notify the organisers through a short expression interest, including some of the topics you would like to discuss at the meeting. Scholars across borders, but close to North Rhine-Westphalia and with an interest to connect are also very much welcome. We hope to see you in Aachen!

Please send your expression of interest to both panel organisers until October 28th 2022:

Cornelius Schubert (cornelius.schubert@tu-dortmund.de)

Estrid Sørensen (estrid.sorensen@rub.de)
